

# CONTENTS

## PART I General Considerations

- 1 Genetics and the Cardiovascular System  
*W. Jape Taylor, M.D.*
- 2 Normal Anatomy and Function of the Cardiovascular System  
*Robert C. Schlant, M.D.* 16

## PART II The Examination of the Cardiovascular System

### SECTION A History and Physical Examination

- 3 The Approach to the Patient  
*J. Willis Hurst, M.D.* 44
- 4 Symptoms Due to Heart Disease  
*J. Willis Hurst, M.D.* 47
- 5 The Physical Examination
- a. Introduction *J. Willis Hurst, M.D.* 54
- b. General Inspection of the Patient with Cardiovascular Disease  
*R. Bruce Logue, M.D., and J. Willis Hurst, M.D.* 54
- c. Examination of the Arteries  
*J. Willis Hurst, M.D., and Robert C. Schlant, M.D.* 66
- d. Examination of the Veins  
*J. Willis Hurst, M.D., and Robert C. Schlant, M.D.* 81
- e. Percussion Versus Inspection and Palpation of the Heart  
*J. Willis Hurst, M.D.* 92
- f. Inspection and Palpation of the Precordium  
*E. E. Eddleman, Jr., M.D.* 94
- g. Auscultation of the Heart  
*J. Scott Butterworth, M.D., and Edmund H. Reppert, M.D.* 101
- h. Examination of the Retinal Fundi  
*Joseph A. Wilber, M.D.* 126

### SECTION B Routine Diagnostic Procedures

- 6 Electrocardiography and Vectorcardiography  
*E. Harvey Estes, M.D.* 130

- 7 Radiologic Examination of the Heart  
*H. Stephen Weens, M.D., and Brit B. Gay, Jr., M.D.* 148

### SECTION C Special Laboratory Procedures

- 8 Cardiac Catheterization  
*Robert H. Franch, M.D.* 164
- 9 Selective Angiocardigraphy, Negative-Contrast Roentgenography, and Radioisotope Photoscanning  
*Robert H. Franch, M.D., and Wade H. Shuford, M.D.* 193
- 10 Other Diagnostic Procedures  
*Robert H. Franch, M.D.* 210

## PART III Disturbances of Cardiovascular Function

### SECTION A Heart Failure

- 11 Altered Physiology of the Cardiovascular System in Heart Failure  
*Robert C. Schlant, M.D.* 224
- 12 Hormonal Factors in the Edema of Heart Failure  
*Elbert P. Tuttle, Jr., M.D.* 239
- 13 Disturbance of Inorganic Metabolism in Heart Failure  
*William C. Waters III, M.D.* 244
- 14 Etiology and Clinical Recognition of Heart Failure  
*R. Bruce Logue, M.D., and J. Willis Hurst, M.D.* 248
- 15 Treatment of Heart Failure  
*R. Bruce Logue, M.D., and J. Willis Hurst, M.D.* 269

### SECTION B Disturbance of Rhythm and Conduction, Syncope, Shock, and Sudden Death

- 16 Cardiac Arrhythmias and Conduction Disturbances  
*Eliot Corday, M.D., Tzu-Wang Lang, M.D., Edward R. Dorney, M.D., Robert C. Schlant, M.D., J. Willis Hurst, M.D., E. Alan Paulk, M.D., and H. D. Proctor, M.D.* 285

- 17 Syncope, Shock, and Sudden Death  
*Arnold M. Weissler, M.D., and  
James V. Warren, M.D.* 350

## PART IV

Common Diseases of the Heart  
and Pericardium

## SECTION A Congenital Heart Disease

- 18 Pathology of Congenital Heart Disease  
*Robert S. Eliot, M.D., and  
Jesse E. Edwards, M.D.* 368
- 19 Altered Cardiac Function in Congenital  
Heart Disease *Robert C. Schlant, M.D.* 380
- 20 Clinical Recognition and Medical Man-  
agement of Congenital Heart Disease  
*F. Kathryn Edwards, M.D., and  
Dorothy Brinsfield, M.D.* 402
- 21 Surgical Treatment of Congenital Heart  
Disease *John W. Kirklin, M.D.,  
Robert B. Wallace, M.D., and  
James W. DuShane, M.D.* 453

SECTION B Acute Rheumatic Fever and Acquired  
Valvular Heart Disease

- 22 Etiology of Rheumatic Heart Disease  
*Thomas F. Sellers, Jr., M.D.* 491
- 23 Pathology of Rheumatic Heart Disease  
*Robert S. Eliot, M.D., and  
Jesse E. Edwards, M.D.* 495
- 24 Altered Cardiovascular Function in  
Rheumatic Heart Disease  
*Robert C. Schlant, M.D.* 502
- 25 Clinical Recognition and Medical Man-  
agement of Rheumatic Fever and Valvu-  
lar Heart Disease  
*B. Woodfin Cobbs, M.D.* 519
- 26 Surgical Treatment of Acquired Valvu-  
lar Heart Disease  
*John W. Kirklin, M.D.,  
Robert B. Wallace, M.D., and  
Howard B. Burchell, Ph.D., M.D.* 610

## SECTION C Coronary Artery Disease

- 27 Etiology of Coronary Atherosclerosis  
*Robert E. Olson, Ph.D., M.D.* 622
- 28 Anatomy of the Coronary Arteries and  
Veins *Thomas N. James, M.D.* 628
- 29 Anatomy of the Conduction System of  
the Heart *Thomas N. James, M.D.* 641
- 30 Physiology of the Coronary Circulation  
*Richard Gortin, M.D.* 653
- 31 Pathology of Coronary Atherosclerosis  
and Its Complications  
*Richard P. Lynch, M.D., and  
Jesse E. Edwards, M.D.* 658

- 32 Clinical Recognition of Coronary Ather-  
osclerosis and Its Complications  
*R. Bruce Logue, M.D., and  
J. Willis Hurst, M.D.* 668
- 33 Cine Coronary Arteriography  
*F. Mason Sones, Jr., M.D.* 701
- 34 Clinical Application of Selective Cine  
Coronary Arteriography  
*William L. Proudfit, M.D.* 710
- 35 Management of Coronary Atherosclero-  
sis and Its Complications  
*R. Bruce Logue, M.D., and  
J. Willis Hurst, M.D.* 711
- 36 Rarer Causes of Coronary Artery Disease  
*Nanette Kass Wenger, M.D.* 733

## SECTION D Systemic Hypertension

- 37 Etiology and Pathogenesis of Systemic  
Hypertension *Elbert P. Tuttle, Jr., M.D.* 742
- 38 Hereditary and Humoral Factors in Es-  
sential Hypertension  
*J. Edwin Wood, M.D.* 752
- 39 Pathologic Sequelae of Systemic Hyper-  
tension *Robert S. Eliot, M.D., and  
Jesse E. Edwards, M.D.* 756
- 40 Diagnosis of Hypertension and Clues to  
the Causes of Systemic Hypertension  
*Albert N. Brest, M.D., and  
John H. Moyer, M.D.* 760
- 41 Parenchymal Renal Diseases and the  
Circulation *Elbert P. Tuttle, Jr., M.D.* 766
- 42 Unilateral Renal Disease  
*William C. Waters III, M.D.* 768
- 43 Pheochromocytoma  
*Leon I. Goldberg, Ph.D., M.D.* 771
- 44 Primary Aldosteronism  
*William C. Waters III, M.D.* 78
- 45 Treatment of Hypertension  
*Edward S. Orgain, M.D.* 78

SECTION E Heart Disease Secondary to Disease  
of the Lungs and Pulmonary Arteries

- 46 Chronic Cor Pulmonale  
*Peter C. Gazes, M.D.* 80
- 47 Pulmonary Embolism and Acute Cor  
Pulmonale *Lewis Dexter, M.D.* 83
- 48 Pulmonary Hypertension  
*S. Gilbert Blount, Jr., M.D., and  
Robert F. Grover, Ph.D., M.D.* 83

## SECTION F Diseases of the Pericardium

- 49 Pericardial Disease  
*Noble O. Fowler, M.D.* 8

## PART V

## Less Common Diseases of the Heart

- 50 Myocardial Disease  
A. Calhoun Witham, M.D. 860
- 51 Endocarditis Edward R. Dorney, M.D. 874
- 52 Traumatic Heart Disease  
Loren F. Parmley, Jr., M.D., and  
Thomas W. Mattingly, M.D. 892
- 53 Syphilis and the Cardiovascular System  
C. Thorpe Ray, M.D. 902
- 54 High-Cardiac-Output States  
Noble O. Fowler, M.D. 908
- 55 Rare Causes of Heart Disease  
Nanette Kass Wenger, M.D. 916

## PART VI

Diseases of the Aorta  
and Peripheral Vessels

## SECTION A Recognition and Medical Treatment

- 56 Diseases of the Aorta and Peripheral  
Vessels (Arteries and Veins)  
Ray W. Gifford, Jr., M.D. 970
- 57 Neurologic Manifestations of Cardiovas-  
cular Disease Herbert R. Karp, M.D. 1003
- 58 Vascular Diseases of the Abdominal Vis-  
cera John T. Galambos, M.D. 1019

## SECTION B Surgical Treatment

- 59 Surgical Treatment of Diseases of the  
Aorta and Major Arteries  
Michael E. De Bakey, M.D. 1025
- 60 Surgical Treatment of Diseases of the  
Venous System  
Arthur C. Beall, Jr., M.D., and  
Michael E. De Bakey, M.D. 1050

## PART VII

Miscellaneous Problems Affecting  
the Cardiovascular System

## SECTION A Certain Medical Conditions

- 61 The Effects of Endocrine Dysfunction  
and Metabolic Disorders on the Heart  
E. Garland Herndon, Jr., M.D., and  
Nanette Kass Wenger, M.D. 1058
- 62 The Heart and Pregnancy  
James Metcalfe, M.D., and  
Kent Ueland, M.D. 1094

## SECTION B Emotional and Environmental Factors

- 63 Emotional Stress, Cardiovascular Dis-  
ease, and Cardiovascular Symptoms  
Edwin O. Wheeler, M.D. 1106
- 64 Iatrogenic Problems and Heart Disease  
J. Willis Hurst, M.D. 1116
- 65 The Effects of Tobacco on the Cardio-  
vascular System Joseph T. Doyle, M.D. 1120

## SECTION C Anesthesia and Surgery

- 66 The Heart and Anesthesia  
John E. Steinhaus, Ph.D., M.D. 1124
- 67 Surgical Treatment in the Patient with  
Heart Disease R. Bruce Logue, M.D. 1129

## SECTION D Certain Aspects of Treatment

- 68 Pharmacology of Cardiovascular Drugs  
Leon I. Goldberg, Ph.D., M.D. 1136
- 69 Cardiac Arrest and Resuscitation  
Marvin M. McCall, M.D. 1166

## SECTION E Certain Nonmedical Considerations

- 70 Insurance Problems in Heart Disease  
Royal S. Schaaf, M.D. 1169
- 71 Medicolegal Aspects of Heart Disease  
Howard B. Sprague, M.D. 1179
