

## Contents

Introduction .....	III
Program of conference on prostaglandins in fertility control..	V
List of participants .....	VIII
Clinical use of prostaglandins for induction of therapeutic abortion .....	XI
Recommended protocols for further studies .....	XVII
Metabolism and analysis of prostaglandins .....	XXVI

### Articles.

Endogenous synthesis of prostaglandins. B. Samuelsson. ....	1
Metabolism of prostaglandin $F_{2\alpha}$ in female subjects. E. Granström .....	18
Prostaglandins: Serologic specificities and estimation in biological fluids. L. Levine, R.M.G. Cernosek, H. Polet and H. Gershman .....	38
Characterization of antibody to prostaglandin $F_{2\alpha}$ . K.T. Kirton, J.C. Cornette and K.L. Barr .....	60
Extraction of PGE from human serum for radioimmunoassay. B.M. Jaffe and C.W. Parker .....	69
Some practical considerations in the radioimmunoassay of the F prostaglandins. B.V. Caldwell, W.A. Brock, J.W. Gordon and L. Speroff .....	83
Quantitative gas chromatography-mass spectrometry of prostaglandins. K. Gréen, E. Granström and B. Samuelsson .....	92
Results of a WHO preliminary study on the termination of pregnancy using intrauterine administration of prostaglandins .....	107
Extra-amniotic prostaglandins M.P. Embrey .....	109

Extra-amniotic administration of prostaglandin for induction of abortion.	
N. Wiqvist, F. Béguin, M. Bygdeman and M. Topozada .....	118
Result of extra-amniotic administration .....	126
Intra-amniotic administration .....	128
Intra-amniotic administration of prostaglandin $F_{2\alpha}$ for the induction of second trimester abortion.	
M. Bygdeman, F. Béguin, M. Topozada and N. Wiqvist .....	129
Intra-amniotic prostaglandins.	
M.P. Embrey .....	137
The abortifacient efficacy and tolerance of prostaglandin $F_{2\alpha}$ administered by the intra-amniotic and intra-uterine routes.	
W.E. Brenner, C.H. Hendricks, J.T. Bracksma and J.J. Fishburne .....	139
Result of intra-amniotic administration .....	154
Intravenous prostaglandin $F_{2\alpha}$ for therapeutic abortion.	
W.E. Brenner, C.H. Hendricks, J.J. Fishburne and J.T. Braaksma .....	156
Vaginal administration of prostaglandin.	
N. Wiqvist, F. Béguin, M. Bygdeman and M. Topozada .....	164
Prostaglandin $F_{2\alpha}$ administered vaginally for inducing therapeutic abortion.	
W.E. Brenner, C.H. Hendricks, J.J. Fishburne and J.T. Braaksma .....	170
Postconceptional fertility control by prostaglandin $F_{2\alpha}$ .	
M. Bygdeman, F. Béguin, M. Topozada, L. Wide and N. Wiqvist .....	175
F prostaglandin levels in women receiving $PGF_{2\alpha}$ for therapeutic abortion.	
B.V. Caldwell, G.G. Anderson, J.C. Hobbins and L. Speroff .....	182
Analysis of prostaglandin $F_{2\alpha}$ and metabolites following intra-venous, intra-amniotic and vaginal administration of prostaglandin $F_{2\alpha}$ .	
K. Gréen, F. Béguin, M. Bygdeman, M. Topozada and N. Wiqvist .....	189
Measurement of prostaglandin $F_{2\alpha}$ concentration in plasma during clinical evaluation in therapeutic abortion.	
L.S. Wolfe and C. Pace-Asciak .....	201

Further studies on the role of prostaglandins in reproductive  
physiology.

B.V. Caldwell, F.J. Anletta, J.W. Gordon and L. Speroff ..... 217

The role of prostaglandins in luteal regression.

J.A. Mc Cracken ..... 234
